

Summer Checklist

- Make sure to remove your A/C cover before using it.
- Give your house a boost with some exterior paint touch-ups.
- Inspect all hoses (washer, dehumidifier, dishwasher, fridge, etc.).
- Wash exterior windows and clean window screens.
- Check seals around exterior windows and doors.
- Test all faucets for leaks.
- Replace outdoor bulbs if needed.
- Vacuum the vents.
- Clean tub and sink drains.
- Clean the dryer vent. When the dryer is going the exhaust should be coming out and smell nicely of fresh laundry.
- Impress the neighbours with a sharp-looking yard!
